

## 2022 - 2023 Annual Report

## 2022 – 2023 Recap *From Michelle Lee, CPC*

Thank you for your support of OSAP. As we reflect on our successes over the last year, we would like to thank all attendees, vendors, exhibitors, sponsors, partners, volunteers, committee members, and board members who contributed to the 2023 OSAP Dental Infection Control Boot Camp, the 2023 OSAP Annual Conference, our grant work, our fundraising efforts, and more. OSAP's mission is to be the leading provider of infection prevention and control (IPC) education, training, and credentialing that supports safe dental visits – you play a critical role in helping us achieve that mission. We greatly appreciate you and your continued support of OSAP!

Michelle Lee, CPC  
Executive Director

# Our Strategic Plan 2020 - 2022

Increase size and engagement of membership in every category

Serve as the leading organization that provides evidence-based education to develop and credential dental infection prevention and safety expertise for DHCP, educators, trainers, other healthcare workers and the dental trade.

Serve as the credible voice of and advocate for dental infection prevention and compliance, and patient and personnel safety.

Optimize organizational performance for both association and foundation

## Education, Certification, & Resources

*Up-to-date, evidence-based education & training in dental infection prevention, occupational health, and patient safety.*

### Education

- Hosted 2 conferences totaling 1,000+ registrants
- Produced 8 CE webinars totaling 4,000+ registrants
- Produced 6 Infection Control in Practice publications
- Awarded 15,900+ CE credit hours
- Awarded 1,400+ [Dental Infection Prevention and Control Certificates](#)\*
- Released an updated version of *If Saliva Were Red* – has had 42,700+ views

### Certification

- Awarded 202+ [Certified in Dental Infection Prevention and Control \(CDIPC\)](#) certifications\*\*
- Awarded 50+ [Dental Industry Specialist in Infection Prevention and Control \(DISIPC\)](#) certifications\*\*

### Resources

- Created the [Antibiotic Stewardship](#) microsite

\*Since launch in 2021

\*\*Since launch in 2022

## Grants, Contracts, & Scholarships

*Grants and contracts provide additional revenue streams, and scholarships increase access to education & training.*

### Grants & Contracts

- CDC National Center for Emerging and Zoonotic Infectious Diseases (NCEZID) Cooperative Agreement – allowed ADS to host the 1<sup>st</sup> Antibiotic Stewardship Summit in 2023 and provide free access to the on-demand recordings
- CDC Division of Oral Health (5-year contract) – ADS hosted 5 listening sessions to provide feedback to CDC on guidelines and existing CDC resources, created the Oral Healthcare in preventing Non-Ventilator-Healthcare Acquired Pneumonia toolkit, created a database to assist CDC with communicating with state dental boards and associations, surveyed and prepared report on technical assistance needs of state public health departments, and prepared a report highlighting specific needs for Core Practices document.

### Scholarships

- Raised \$100K for the OSAP-DANB-DALE Foundation Andrew Whitehead Education and Certification Scholarship – to remove financial barriers to help dental professionals access IPC education and certification
- Henry Schein Cares Scholarship – provides underserved public health dental professionals with Boot Camp registration fee assistance (awarded 55 scholarships in 2023)
- Anna Nelson, CDA, RDA, MA Scholarship – provides dental assistants with Boot Camp registration fee assistance (awarded 20 scholarships in 2023)

# Support OSAP

The **OSAP Foundation** is a 501(c)(3) tax-exempt educational foundation that supports dental education, research, service, and policy development to promote the safety and control of infectious diseases in oral healthcare settings worldwide. Your support allows us to continue our important work!

**DONATE TODAY!**

## Key Funds Your Donations Support

- **OSAP Foundation** – an educational foundation that supports education, research, service, and policy development to promote safety and the control of infectious diseases in dental care settings worldwide. Contributions to the Foundation, a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code, are deductible for computing income and estate taxes. The tax identification number for the OSAP Foundation is 52-1963109.
- **OSAP-DANB-DALE Foundation Collaboration** – A comprehensive dental infection control education and credentialing initiative between OSAP, the Dental Assisting National Board (DANB), and the DALE Foundation. The collaboration includes four elements [Dental Infection Prevention and Control Certificate](#); [Certified in Dental Infection Prevention and Control \(CDIPC\)](#); [Dental Industry Specialist in Infection Prevention and Control \(DISIPC\)](#); and a series of jointly developed interactive online Continuing Dental Education Articles.
